Joseph France	November 23, 2009	0.33 Hours	Created video to show how to edit and replace issuu media kits and Animoto videos
Joseph France	November 25, 2009	0.95 Hours	Curved edges on the dropdown; This was a photoshop job so it took longer. Changed welcome font, Linked see for yourself to video; edited top banner images - Logo and Tagline; centered topnav links, added new (c) sentence. I didn't flip the video and the copy. I did some research on other national sites and each time the images or video was on the left. Keeping the graphic on the left is a good best practice.
Joseph France	December 1, 2009	0.70 Hours	adjusting of CTgrapevine landing page
